[REDACTED] Executive Secretary

1. The meeting convened at 9:30 a.m. in Room 2E49 Headquarters.

2. In opening his first meeting as Chairman, Mr. Rodriguez expressed his feeling that in making its selections the members should respect the requirements (grade, age, etc.) of the sponsoring organization.

He observed that in reviewing the papers for the meeting it would appear that certain Agency components are more "tuned" to training and hence afford their people with more opportunities for various training programs than others. He requested the Executive Secretary to make a short study to show which components support training and send more people.
